Ref: PEFC Belgium Application for Conformity Assessment of its revised Belgian Forest Certification Scheme

Dear Sirs,

Please find attached the technical documentation for the application for assessment from the second revision of the Belgian Forest Certification Scheme by the PEFC Council.

The revision process begun in March 2011. The final version of the Belgian Forest Certification Scheme has been discussed and approved by unanimous vote by the PEFC Belgium Commission on 27 June 2012.

Please find enclosed the approved documents. At the same time, we send the complete documentation by electronic mail.

The documentation attached contains:

- the Belgian Forest Certification Scheme including the standards setting procedures and the Walloon Standards;
- the development report on the revision of the standards;
- the completed PEFC Council Minimum Requirements check list.

Yours faithfully,

Yves de le Court
PEFC Belgium Chairman
