MAINTAINING THE ENDORSEMENT OF THE NORWEGIAN FOREST CERTIFICATION SYSTEM

Dear Thomas,

Following the application submitted by PEFC Norway on 20th August 2022, I am pleased to inform you that the external assessment of the Norwegian Forest Certification System is now completed. Attached to this letter we enclosed the output of the process, the final report of the assessment of the System.

This is my great pleasure to declare the Norwegian Forest Certification System is fully compliant with the PEFC requirements and its endorsed status is maintained. The upcoming endorsement milestones are already published on Podio and attached to this letter for easier reference.

The Technical Unit of the PEFC Secretariat will shortly contact you regarding the internal assessment of your administration according to the requirements set in the PEFC GD 1004, Administration of the PEFC Scheme.

If you have any queries concerning the above, please do not hesitate to contact the Technical Unit of the PEFC Secretariat.

Yours sincerely,

Michael Berger
