Ref: Application for PEFC re-endorsement of the Polish PEFC Certification Scheme for Sustainable Forest Management

I am pleased to submit Polish PEFC Certification Scheme for the first re-endorsement. The revision was carried out as a periodic review after five years as required in PEFC ST 1001:2010.

Following documents are attached to this application:

1. Scheme Description
2. Development report
3. PEFC Council Minimum Requirements Checklist
4. PEFC PL 1001: Standard setting – Requirements
5. PEFC PL 1002: Certification and accreditation procedures
6. PEFC PL 1003: Sustainable forest management – Requirements
7. PEFC PL 1004: Group forest management certification – Requirements
8. Notification Procedure for Certification Bodies Conducting PEFC certification of forest management and / or supply chain in Poland
9. Bylaws of PEFC Poland
10. The Polish Act on Forests

Sincerely yours,

Krzysztof Jodłowski
Chairman of PEFC Poland
