

PEFC Standards Development

Members of the Chain of Custody Working Group

The Chain of Custody Working Group is the permanent working group responsible for the development of the PEFC chain of custody, including the maintenance of the following standards: PEFC Chain of Custody (ST 2002), PEFC Trademarks Rules (ST 2001) and Certification Body Requirements – Chain of Custody (ST 2003). The Chair of the Working Group is Suzette Weeding.
