

# PEFC Standards Development

## Members of the Chain of Custody Working Group

The Chain of Custody Working Group is a permanent working group responsible for the development of the PEFC chain of custody, including the maintenance of the following standards: PEFC Chain of Custody (ST 2002), PEFC Trademarks Rules (ST 2001) and Certification Body Requirements – Chain of Custody (ST 2003). The group is chaired by a PEFC International Board member.
