**Application for PEFC re-endorsement of the Argentinian Forest Certification System
(CERFOAR - PEFC Argentina)**

I am delighted to submit our revised CERFOAR - PEFC Argentina Scheme for re-endorsement. The revision has been performed as a periodic review after five years (First Revision). The revised system was approved by the Board of Directors of CERFOAR - PEFC Argentina Association on May 6th, 2022.

This letter is our official application for the Argentinean scheme to be re-assessed under the requirements of PEFC Council (PEFC ST 1001:2017 Standard Setting – Requirements, PEFC ST 1002:2018 Group Forest Management – Requirements and PEFC ST 1003:2018 Sustainable Forest Management-Requirements)

Apart from the revised system, this application consists of the requirement checklist, and development report. A list of documents can be found as appendix to this application

Yours sincerely

Florencia Chavat
Chief Executive Officer
CERFOAR – PEFC Argentina

Appendix: List of documents included in the application

Folder	Document name	Description
1_ Application letter	- 2022_05_11_Application letter.pdf	Application letter
