Certified Family Forest and Certified Tree Farm Signs

Our diamond-shaped, green and white signs bearing the message of wood, water, wildlife, and recreation are recognized across the country. The two signs we offer - **Certified Tree Farm** and **Certified Family Forest** - convey the meaning of sustainable forestry and the history of generations behind these signs on private forestland. To order your sign, please read and agree to the terms below.

PLEASE BE SURE THAT YOU OWN A CERTIFIED OR RECOGNITION TREE FARM BEFORE ORDERING.

If you have questions about your tree farm status or ordering a sign you can contact your **Local Tree Farm Program** (<https://www.treefarmsystem.org/state-tree-farm-programs>) or our staff at info@treefarmsystem.org (<mailto:info@treefarmsystem.org>)

Terms: The Certified Family Forest and Certified Tree Farm signs remain the property of the American Tree Farm System and the American Forest Foundation and can be withdrawn should the landowner fail to remain in conformance with the American Forest Foundation's Standards of Sustainability for Forest Certification on Private Forestlands.

Signs can only be purchased for Certified/Recognition Tree Farms. If we are unable to verify your Tree Farm's Certification, your payment will be refunded minus a \$5 administrative fee.
